Minister of State
Department of Health

SW1.

Dear Virginia,

I am attaching copy of a letter received from my constituent Mr **GRO-A**, together with the leading article to which he makes reference, and the communication from the National Blood Transfusion Service which refers to the absence of additional resources.

I am seeking your response first on the justification for the use of extensive resources for allegedly minimum return, together with your comment on the question of resources which I think is really the basis of Mr **GRO-A**'s complaint.

I look forward to hearing from you.

Yours sincerely,

GRO-C: Robert McCrindle
