| | <hr/> | <hr/> | <hr/> |
| Total | 10 | 33 (c) | 43 |

Infected Intimates

| | | | |
|----------|-------|-------|-------|
| 5. Adult | 2 | 3 | 7 |
| 6. Child | 2 | 1 | 4 |
| | <hr/> | <hr/> | <hr/> |
| | 4 | 4 (d) | 12 |

Notes:

- a. Single adults include three (2 living, 1 deceased) who reached 18 since registration. (One of the living has a learning disability and is not independent).
- b. Fourteen people have died since registration.
- c. In the case of three of the deceased we only have statistical information (three widows, one of them with two children) and no personal contact.
- d. There are currently 16 children under 18 and a further 3 young people under 25 who are dependent, partially dependent or could be dependent on the Trust for some financial support.
