

Wd'AM/AH

16th September 1977.

Dr. J. Craske,
Public Health Laboratory,
Withington Hospital,
Manchester M20 9LR.

Dear Dr. Craske,

Post-transfusion Hepatitis Survey
Factor VIII Concentrate

Is there any news? We have not yet distributed the ear-marked
batches, parts of which we agreed would be sent to two or three
haemophilia centres.

Yours sincerely,

GRO-C

W. d'A. Maycock.
