HIV AND AIDS: BACKGROUND BRIEFING

1. Officials are to meet MS(H) on Thursday to brief her on current issues relating to HIV and AIDS. The attached papers may provide a useful background before our meeting. Annex A lists the main issues of which MS(H) needs to be immediately aware. Annex B provides a summary of the AIDS Unit's objectives and proposals for action for the next 18 months to 2 years, Annex C is a fact sheet on AIDS and HIV and Annex D sets out the background and current Government policies in some detail.

2. Officials will stand ready to discuss these issues further with MS(H) at our meeting.
