BLOOD: (A) RECORD-KEEPING AND STOCK CONTROL  
(B) HANDLING CHARGES FOR SUPPLY TO NON-NHS HOSPITALS

GRO-C

Lord Glenarthur has seen your submission of 29 February and has commented:

- A: "I am not particularly clear on the detail being imposed on health authorities but am prepared to accept the case that this is a sensitive area and therefore detail of the limit proposed is, in this case, necessary. Circular approved."
- B: "Yes - I agree to the RHAs being consulted on the circular and to charges from 1 April."
