Mr Muir

CBLA: NEW BPL PROJECT: REVISION OF CASH LIMIT

The submission on the revised cost limit for the above is with MS(H).

Finance Division have informed me that the CBLA have overspent their present capital cash limit for 1986/87 by some £8.6million. The position needs regularising as a matter of urgency if a further possible cause of criticism is to be avoided.

I would be grateful if we could receive MS(H)'s approval to increase the capital cash limit by this amount for 1986/87 pending his decision on the BPL project as a whole.
