

Mr M.A.Harris

HS1

CBLA: NEW BPL

You will recall that Treasury (John Peet) wrote last year expressing their reaction to the (then) latest turn of events. Doug Harris circulated a draft reply on 18 September 1986 and you offered a revised version on 10 October 1986.

2. In the event, no reply was made and it was decided to await the outcome of the 30 December submission to Ministers before replying.

3. As that submission has now been agreed, I attach a further draft reply to Treasury which encompasses what you said in your 10 October version.

4. Comments welcomed (by 10 April, if possible)
