Subject: Hepatitis list

Hello Zubeda.

The best that i can do is give you a list of files held with Hepatitis in the title.

<<HEPATITIS LIST.xls>>

Regards.
Bill Proctor
Ops.Supervisor.
Iron Mountain.
Premier Buildings.
Brunswick St.
Nelson.

This email and its attachments are confidential under applicable law and are intended for use of the sender's addressee only, unless the sender expressly agrees otherwise, or unless a separate written agreement exists between Iron Mountain and a recipient company governing communications between the parties and any data that may be so transmitted. Transmission of email over the Internet is not a secure communications medium. If you are requesting or have requested the transmittal of personal data, as defined in applicable privacy laws, by means of email or in an attachment to email, you may wish to select a more secure alternate means of transmittal that better supports your obligations to protect such personal data.

If the recipient of this message is not the recipient named above, and/or you have received this email in error, you must take no action based on the information in this email. You are hereby notified that any dissemination, misuse or copying or disclosure of this communication by a recipient who has received this message in error is strictly prohibited. If this message is received in error, please return this email to the sender and immediately highlight any error in transmittal. Thank you.

PLEASE NOTE: THE ABOVE MESSAGE WAS RECEIVED FROM THE INTERNET.

On entering the GSI, this email was scanned for viruses by the Government Secure Intranet (GSI) virus scanning service supplied exclusively by Energis in partnership with MessageLabs.

DH users see Email virus scanning on the Notice Board under Security in DH, for further details. In case of problems, please call IT support helpdesk.
