HIV/AIDS Litigation

A hearing took place at the Royal Courts of Justice on 29 June 1989. Because of preliminary problems however, only those issues concerning the plaintiffs' case were heard by Mr Justice Ognall.

The full hearing was adjourned to 24 July 1989, when the Judge will also hear those issues on which the defendants will make representations.

Could you therefore advise us as soon as possible of any response to Mr Dobson's submission of 26 June 1989 please?
