HIV LITIGATION

1. I have today received a telephone call from Davies Arnold Cooper solicitors who are acting for the Health Authorities in this litigation requesting inspection of the Licensing Authority and CSM's documents. The request was at the suggestion of Mr Desai at Treasury Solicitor and inspection will be based on the list attached to my minute of 29 January to Mr Bratton. I have accordingly arranged for inspection to take place on Monday 26 February at 10.30am in room 2011 Market Towers; do you wish a Solicitor to be present?
