

Peter

I Can you ring Charles Dobson on Thursday
(x 22712) re Haemophilia and tell him
M I didn't speak to Justin Fenwick
21.12 because JF was in court all
afternoon.

Dr Greenfield	- Statistics	-	Y
Dr Mozzen	- Cutter Labs (US)		Y

3. From a letter from Davies Arnold and Cooper dated 11 July it appeared that Dr Craske would be an expert witness. Is this no longer the case?

4. In their annex to the letter of 6 November HA's solicitors refer to Dr Pinching. Is he an expert witness?

5. Could you please check with the HAs solicitors that we now have all the draft reports that they have received so far.
