1. As requested in your minute of 22 January, I enclose briefing for the Secretary of State's meeting with Sir Michael McNair-Wilson MP and Gavin Strang MP on 23 February.
2. I shall attend along with Dr Rejman.
3. I am also enclosing a set of briefing for No 10. Mr Ahearn asked for this yesterday in preparation for the Prime Minister's meeting with John Marshall and some other MPs. The lines to take are the same as for SofS, but we have expanded the background note and removed those annexes which are more relevant to the SofS's own meeting.
