Thank you for your further letter of 18 May to Tessa Jowell about the request for a special payment scheme for people infected with hepatitis C following NHS treatment.

Unfortunately we are still not in a position to announce a decision on the issue of the special payment scheme for those people infected with hepatitis C following NHS treatment. We do however hope to reach a conclusion in the near future and I will certainly arrange to inform you when one is made.

Yours ever

Dear Tessa,

Thank you for your letter of 23 March in connection with hepatitis C contracted through NHS treatment.

I have had enquiries from another constituent about this issue and I am writing to see if there have been any further developments on making a decision about the special payment scheme. If not, I would be very grateful indeed if you could please keep me informed when a decision is made so that I can let my constituents know.

Thank you for your help and I look forward to hearing from you.

Yours,

GRO-C
