

*The Antisocial* VIE 63

*Miss McCarthy.*

*Please set up a file for  
AIDS (full title opposite) and  
file this on it with any  
other papers we have on  
the subject.*

Dr Field

ACQUIRED IMMUNO-DEFICIENCY SYNDROME (AIDS)

In addition to the three sources of data already being collected by the Communicable Disease Surveillance Centre (my minute of 26 April refers) I understand from Dr Walford that Haemophilia Centre Directors have also been asked to report cases to CDSC.
