Dr R S Lane
Director
Blood Products Laboratory
Dagger Lane
Boreham Wood
Elstree
HERTS

Dear Richard

INSTALLATION OF NEW MODULAR COLD STORAGE AT B.P.L.

As I promised this is to authorize the installation of 5000 cubic feet of modular cold storage at the Blood Products Laboratory, at a total cost - including fees, installation, connecting to services, approach ways etc - not exceeding £90,000.

The conditions which attach to this authorization are that the modules should be installed in a place consistent with the needs of any new laboratory which may be built at Elstree, and that the installation should be completed before contracts are placed for any further building work on the laboratory.

Yours sincerely

J HARLEY
