Inquiry 2021-22 expenditure (cont)

Areas of spend can be explained as follows:

- The investigation team consists of paralegals (in house and at our document review provider), investigative lawyers and investigators working on the Inquiry. At 31 2022 March this totaled 208 people contributing to the investigation.
- Legal representatives funded through the Inquiry includes all firms awarded costs to represent core participants of the Inquiry.
- Hearings costs are costs associated with holding the hearings (eg accommodation and fitouts, rent, catering, audio visual, broadcasting, cleaning, security etc).
- Staff costs include Inquiry staff and secondees.
- ICT costs are the costs for the Inquiry's document management system, scanning and ICT equipment.
- Accommodation costs are the rents, associated costs and setup costs for the Inquiry's office spaces.
- Counsel costs refer to barristers working on the Inquiry.
- Travel consists of staff and investigation team travel costs.
- Participant support costs are participant travel costs and psychological support.
- Other costs include intermediaries, office and other miscellaneous costs incurred.
- Expert costs relate to daily fees claimed for their work, report publication costs and expenses incurred carrying out their work.
- Numbers above are prepared on an accruals basis and do not include depreciation on the Inquiry's fixed assets.

Whole life costs to March 2022

- The Inquiry has spent £9.308m in 2018-19, £25.987m in 2019-20, £32.907m in 2020-21 and £32.523m in 2021-22 (whole life costs are £100.725m to date).
