THE ORGANISATION OF THE NATIONAL BLOOD TRANSFUSION SERVICE

Thank you for your letter of 1 October about which Jim Morgan spoke to you earlier in the week.

As he explained, we would like to play a full part in the proposed review of the National Blood Transfusion Service and we have arranged with Dutton for Jim Morgan and our Chief Medical Officer, Dr Dick Bevan, to attend the preliminary office meeting on 20 October. No doubt you will send us any papers in due course.

We would like a Welsh presence on both of the proposed study groups. For the clinical users group we had in mind Dr Bloom of the University Hospital of Wales Haemophilia Unit and for the organisational study Jim Morgan from here and Dr B Bevan the director of the BTC for Wales.

*Yours sincerely*

**GRO-C**
