SCOTTISH HAEMOPHILIA/HIV LITIGATION GROUP

Mr Forsyth has seen Mr Tucker's minute of 15 January 1991 to you and would like to record that he is content with reactions suggested by Mr Tucker.

Mr Forsyth is however concerned that compensation does not apply to others who have been infected by HIV through deficient blood products but who are not haemophiliacs, eg people suffering from leukaemia who have received transfusions.

GRO-C

DAVID BINNIE
PS/Minister of State
17 January 1991
