then con. x of at Depat.

RE KOATE - EIRE. TO CONFIRM OUR TELEPHONE CONVERSATION YESTERDAY THE IRISH AUTHORITIES REQUIRE A WRITTEN STATEMENT FROM A SENIOR CUTTER EXECUTIVE CONFIRMING THAT PLASMA IS NOT COLLECTED FROM ANY RISK AREA. THEY NEED THIS URGENTLY FOR THEIR OWN PROTECTION. A LETTER FROM NEWT ASHWORTH AS YOU SUGGESTED WOULD OBVIOUSLY BE MOST ACCEPTABLE. IF HE ADDRESSES IT TO DR. SCOTT I WILL FORWARD IT TO HER. MANY THANKS. THEY ACCEPT OUR RESPONSES TO ALL THEIR OTHER QUESTIONS BUT WOULD LIKE TO KNOW THE MAXIMUM LIMIT WE ARE SETTING IN-HOUSE FOR GLYCINE AND WISH TO SEE A DECLARATION ON THE LABEL - "CONTAINS GLYCINE". THIS OF COURSE WILL APPLY TO KOATE-HT WHEN REGISTERED. LABEL STICKERS ARE ALWAYS ACCEPTABLE UNTIL NEXT RE-PRINT TO AVOID NECESSITY FOR SEPARATE LABELS FOR EIRE.

REGARDS MARIE TATT.

P.S. AS I EXPLAINED THEY WILL ONLY GRANT A LICENCE FOR HEAT-TREATED PRODUCT BUT UNDER THE SPECIAL ARRANGEMENT WE HAVE WITH THEM WE CAN CONTINUE TO SUPPLY REGULAR PRODUCT FOR THE TIME BEING.
