Dear Ted,

Re: Unheated Factor VIII

Thank you for your letter of 27th February, 1985.

As discussed during our recent telephone conversation we are prepared to offer a suitable quantity of Koate unheated at a price of 2.5p per unit to cover the requirements of the Fatimid Foundation. The product offered is Lot C1240B of 990 unitage per vial with an expiry date of 15th June, 1985. I look forward to hearing further from you on this matter.

Regarding your request for support of the two meetings mentioned in your letter, I have already discussed the general outline with my immediate superior and am pleased to advise that Cutter will respond.

I would appreciate your writing direct to Mr. Jack Wood, my Area Vice President at the following address with the full proposals and he will be delighted to assist.

Mr. J. Wood,
Vertrieb Cutter,

Postfach 80 10 60,
