Dear

Further to our telephone conversation this afternoon I am able to inform you that funding has been agreed by the Department of Health for the Abbott Diagnostics and Ortho Diagnostic Systems anti-HCV testing of 3,500 donations.

Will you please order 4,000 tests for use in your Centre from both Abbott Diagnostics and Ortho Diagnostic Systems and mark the order form as I suggested "as agreed with Mr. M. Fuller, Procurement Directorate of the DOH." When the account is received if you will send it to me I will forward it to the Department with the others for payment.

With best wishes.

Yours sincerely,

H.H. GUNSON,
National Directorate
