Dear Mr **GRO-A**

I am writing to let you know that our Trustees met on November 17th and discussed the proposal put forward by Susan Daniels, on your behalf, to consider an equity share arrangement to repay some or all of your debts and take a second charge on your property.

The Trustees involved in the meeting felt the decision could not be made by them alone and the proposal needed to be discussed by a larger representation of Trustees i.e. at a full Trustees meeting. The next full meeting is not until January 18th.

If you, in discussion with Susan Daniels, feel you would like the Chairman to convene an emergency meeting of Trustees to look at this issue before the January meeting please be in touch with myself or Ann Hithersay.

Best wishes

Yours sincerely

GRO-C
