

TYPED COPY OF FAX RECEIVED FROM BPL 04.11.97 RE PRODUCT RECALL

In accordance with instructions received from the MCA based upon advice received from the CPMP, Bio-Products Laboratory has initiated a recall of the following product some of which your organisation has received. The recall is a precautionary measure only related to post donation information. Subsequent to donation the donor was found not to have met the current health requirements for CJD. The advice from the Lothian Ethical Committee is that the recipients (patients) should not be informed that product that they have received has been recalled for this reason.
