I have now found around two thirds of the documents requested in DMS's letter of 27 January (courtesy of Prof Zuckerman). I'm continuing to look for other sources. If you want a word, I'll be back in the office tomorrow afternoon.

There are a couple of existing members of MSBT who were on ACVSB in the late 80s/early 90s, including Angela Robinson of NBA. It may be that they've kept copies of old papers, and we're going to check up on this (it'll be embarrassing but not as bad as telling DMS we haven't got them). Meanwhile, I'll find out what I can about the destroyed files.
