Dear Alison,

Thank you for your letter about Preventative Action against Transmission of AIDS. We display a poster at our blood collection sessions together with a notice at the Team Clerk's desk and in addition we have altered the NBTS form 110 to draw attention to AIDS.

I think a national poster would be very useful and when the new AIDS leaflet arrives we intend to send this to all our donors with their call-up letter.

Enclosed is a copy of our modified form.

Kindest regards.

Yours sincerely,

GRO-C
