Mary

I promised to come back to you. Unfortunately the CJD policy lead is on leave for another week. However, I have found some useful information on the vCJD case and the attached letter incorporates a final paragraph. I suspect we have not heard the last from Mr or Mrs Wintle. Presumably, if they continue to ask similar questions we ought to tell them that we do not intend reply to reply to their letters

Hi there

Please see the corres below for this TO case. You will also wish to see earlier corres TO422632 where he was given the 'standard' lines on the Govt's response to Archer's recommendations. I would be grateful for a contribution that I can use as the basis of my response. Thanks.
