Dear Mrs Murphy

I refer to our telephone conversation on the 8th July. I
understand that you wish to pursue a medical negligence case.

I enclose a Claims Form for completion by you to see if we can
assist under your Woolwich Policy. It is for the Claims Department
to decide on your claim and no costs should be incurred unless and
until you hear from them in writing that your claim has been
accepted.

I look forward to hearing from you.

Yours sincerely

Joanne Wood
