Dear Les Uszylo,

With reference to your letter 1-9-95
Having had access to all my finances for
the last 6 months (Dec-June) I am at a loss as
to why I keep receiving separate letters for
various payments withdrawn when one
request would have been sufficient.

As all your standard letters quote

"In order to assess your application quickly"
I see only that those letters are delaying
any decision regarding granting me legal
aid.

I will give you the information requested
in your letter 1/5/95, also information regarding
other figures which have not been requested
as yet. I do this so as not to delay the
decision for legal aid to be made.

95/2000 Paid to Giro Account

This amount belonged to my mother-in-law Mrs Catherine Murphy and has since been repaid. My mother-in-law at the age of 88 went to live in a retirement home on 5/3/93. She was at that time holding an account with the Halifax Soc. No. 9022386.5 on the 22/3/93 the amount held was £1198.12 plus £1000 approx. in cash at home, which a lot of elderly do. She asked her son (my husband) to handle this money for her, so as she would have easy access to her money, my husband opened an account with the 'Catholics Building Society' in his name for the sum of £2000.00 account No. 1001-21078.7. She earned interest of £10.30 each month which was paid into the ^{only} ~~the~~ Norwich Building Society account. The account with the Catholics Building Society was closed on 31/1/95 after having given the 3 months notice due.

Dear Mrs Marylo

Re your letter 1-9-95. Having had access to ^{all} my finances for the last 6 months (Dec-Jan) I am at a loss as to why I keep receiving separate letters for various payments & withdrawals when one ~~letter~~ request would have been sufficient ^{all} as per your standard letter. Photo.

'In order to assess your application quickly' I see only that these letters are delaying any decision regarding granting the legal aid.

I will give you the information requested in your letter 11/9/95, also information regarding other figures which have not been requested as yet. I do this so as not to delay the decision for legal aid to be made.
