Dear Mr Malone

Thank you for your letter about compensation for people with haemophilia who have been infected with the HCV virus. I am very happy to write to the Government about this issue, but as you are not my constituent I am unable to make representations concerning your own personal case.

I have written to the Secretary of State, Stephen Dorrell, about the general issue and will come back to you as soon as I have his response.

Yours sincerely,

A handwritten signature in dark ink, appearing to read 'David Alton'.
