MACFARLANE TRUST - ADDITIONAL FUNDING FROM IN-YEAR SAVINGS

Thank you for your minute of 28 February providing additional background to your submission of 13 February about the Macfarlane Trust's funds.

PS(H) has seen this and has now agreed to the proposal to top up the Macfarlane Trust's funds by £2.5m, made available from in-year underspends on the CFS programme in 1995/96.
