10 Quarry Street,
Guildford,
Surrey. GU1 3UZ
England.

Department of Health &
Social Security,
Market Towers,
1, Nine Elms Lane,
LONDON SW8 5NQ.

**Transfer of Responsibilities for Cutter Products -
Product Licences 1605/0001, 0002, 0003, 0004.**

Following this acquisition, it will be appropriate for Miles Laboratories Ltd., as soon as possible to hold product licences for the following medicinal products and we understand that they are now preparing applications for immediate submission:-

Tuta Blood Collection Bags PL 1605/0001-2
Cutter Blood Collection Bag PL 1605/0003
Koate PL 1605/0004

We are enclosing formal authorisation enabling Miles Laboratories Ltd., to use in connection with their applications, the data already submitted in support of the applications for the above mentioned product licences and any subsequent variations of the product licences.

We should point out that although it will be acquired by Miles Laboratories Ltd., Cutter Laboratories Ltd., will continue for some time as a company having a Board of Directors and its registered office address as now. Until appropriate licences are issued to Miles Laboratories Ltd., the above mentioned medicinal products will continue to be imported, supplied and

sold under the authority of the respective product licences held by Cutter Laboratories. We request that these product licences should not be cancelled until 6 months from the date of grant of the product licences to Miles Laboratories. This will enable existing stocks bearing the current licence holders details to be disposed of and new labelling and product literature to be printed with the details of Miles Laboratories.

Between the 1st November, 1982 and the issue of relevant product licences to Miles Laboratories, while this company will retain full responsibility for the products according to our licences, Miles Laboratories will be our appointed distributor in the U.K. for these products.

As from the 1st November, 1982, the address for normal correspondence to this Company should be:-

Cutter Laboratories Ltd.,
Stoke Court,
Stoke Poges,
Slough SL2 4LY.

Tel: Farnham Common (02814) 5151
Telex: 848337

The Registered office address of Cutter Laboratories Ltd., remains as shown on this letter.

Yours faithfully,

B.A.Dyos
Managing Director.
