2nd August, 1985.

Dear Mr. Hurst,

Supra-Regional Services - Haemophilia Reference Centres

Further to your letter of 2nd July, 1985 and my reply of 11th July, 1985 regarding the above subject, I now enclose, as requested, a formal application with supporting information requesting that the Haemophilia Reference Centre in Sheffield be considered for supra-regional designation.

I would like to point out that, the Annual Cost Statements for 1984/85 which should have been used to determine precise costs are not yet available and I should be grateful, therefore, if you would regard the expenditure figures as estimates only. The costs shown relate to the list of staffing and workload assessment which are shown in the main document.

I trust that the information enclosed will be satisfactory, but if you require any further details please do not hesitate to contact me.

Yours sincerely,

GRO-C

B. Edwards,
Regional General Manager.
