The decision that claims to the Skipton Fund in respect of people who died before 29 August 2003 could be registered after 31 March 2011 on a case-by-case basis, where there was a valid reason for the applicant to have missed the registration deadline, was communicated by the Skipton Fund on its website. It was not communicated through the other channels listed in Deposited Paper DEP2011-0543.

The Skipton Fund website still states that it is possible to apply for payments on behalf of the estate of someone who died prior to 29 August 2003, but claimants are asked to contact the Skipton Fund to discuss whether the claimant has a valid reason for missing the original deadline for registering claims of 31 March 2011.
