

File D. Ludlam.

JDC/EP

3rd November 1987

Mr J T Donald
General Manager
CSA

Dear Jim

SNBTS Consultancy: Dr C A Ludlam

I have been anxious for some time that the SNBTS has a more effective and formal system than hitherto for obtaining advice, both scientific and operational, from an expert in haemophilia care.

I write to advise you that Dr C A Ludlam (Haemophilia Centre Director, Edinburgh) has agreed to accept an invitation by the Agency to be our Honorary Consultant in this area and I would be most grateful if you would take the necessary steps, along the lines taken with Dr Keith James, so that his appointment can be formally ratified.

For your information I enclose a copy of Dr Ludlam's CV.

Kindest regards,

Yours sincerely

John D Cash

Encl.
