26/9 This press notice has been extensively revised today at a meeting of attendees

GRO-C

26/9

Dr Young

Dr McIntyre

Dr Forrester

M. Davies

M. Macpherson

Mrs Munro

Ms Henderson

Mr Hoy Sic

AIDS

My only comment

the attached is that

it is stretching a point

to call the BTS money

a contribution to 'fighting

the disease'. Anything

else?

Further to my PS message of 20/9

I attach a first draft of a press

statement. There may be further action

in the wings on which we shall hear

more following Dr Young's visit tomorrow

to DHSS but your comments would be

appreciated
