

25.XI.88 Discussed asymptomatic AZT trial
+ heterosexual spread.

He will discuss trial further in 2/52
with Dr Lim. Main problem is fitting
in with work. He will 'phone Dr Lim.

GRO-C:
CAL

1/2/89 Pam (L) gone for a few weeks - goes away,
then comes back. Apparently straightens (L) leg.
Has Rt with F VIII intermittently.

o/e Nil to see
Full ROM.

Rx F.VIII = 1000 units daily x 3
regular analgesia.
Rest (certificate issued)
See again if necessary.
