Hi Jeff and happy new year to you,

I'm just going through and picking up a few things that were on hold over Christmas.

Something I have been meaning to ask you about was about getting access / copies of the documents formerly in possession of Alan Tanner, I think you said his daughter may have them? I was wondering if it would be possible to perhaps reach out (or I'm happy to if you have her details?) about if this would be possible and if so I can arrange a suitable time / place.

Hope all well! Cheers,

Hi Jason,

I will check with Liz what she reckons is best.

I would be keen to come along with you to see what is there. I'll get back to you this week with an answer.

Kind regards,

Hi Jason,

I'm sorry to say that it is proving more difficult to get access.

Liz is going to discuss it again with his daughter as we seek to recover his papers.

Kind regards,
