Dear Mr **GRO-B**

I had expected to see you on a couple of occasions at the Haemophilia Unit to discuss Hepatitis C infection. Unfortunately you have not attended.

I wonder if you could confirm with the Haemophilia Unit staff whether or not you wish to be seen to discuss this further. If not, we will enter this into your case records for administrative reasons.

We will therefore not send you a further appointment unless we hear from you.

Yours sincerely

J MORRIS
