Dr. W. d'A Maycock, C.B.E., M.D.,
The Lister Institute of Preventive Medicine,
Elstree,
Hertfordshire WD6 3AX

Dear Dr. Maycock,

Re: Human antihaemophilic globulin

Thank you for your letter offering to provide five bottles of this material per week. As you know, this is not the answer but it is certainly a help and I would be very grateful for this to be instituted as soon as possible.

May I take it that I can still try to obtain more as dire needs arise?

Yours sincerely,

GRO-C

A. Aronstam,
Consultant Haematologist.
