Dear Dr. Swinburne,

Re: Hepatitis Survey

Thank you for the completed forms regarding

GRO-A

I see that your Annual Returns Form A(2) mentioned a patient called GRO-A 47), as having received treatment in 1977. Should this name have read GRO-A or are there 2 patients with very similar names?

Yours sincerely,

Dear Dr. Swinburne,

Annual Returns for 1977

Thank you for your letter of 15th May, enclosing the
Hepatitis Survey Forms for [redacted] GRO-A
and [redacted] GRO-A. I have traced the forms regarding
[redacted] GRO-A March 1977 attack and apologise for
having troubled you about this.

Unfortunately there is no record that the forms for
[redacted] GRO-A were received either in
Oxford or in Manchester in December 1977, so I fear they
have gone astray in the post. Would it be possible for
you to send me a copy of the forms, please?
