Figure 1 is a schematic diagram of a vertical pipe. The pipe is represented by a long vertical rectangle. A central vertical line, labeled 'Vertical Axis', runs through the middle of the pipe. The pipe is divided into four horizontal sections. The top section is labeled 'Air' and contains a small circle. The second section from the top is labeled 'Water' and contains a larger circle. The third section is labeled 'Air' and contains a small circle. The bottom section is labeled 'Water' and contains a larger circle. The pipe itself is labeled 'Pipe' on the right side. Arrows on the central axis indicate a downward flow direction.
