

SURVEY OF PATIENTS TREATED AT HAEMOPHILIA CENTRES IN THE UNITED KINGDOM

Annual Returns for 1981 of Materials Used to Treat Haemophilia A Patients, Carriers of Haemophilia A and von Willebrand's Disease Patients

Centre: District Hospital Margate (115)

Director: Dr. H. Sterndale

Total number of Haemophilia A patients treated during the year\*: 17

Total number of Carriers of Haemophilia A treated during the year\*: Nil

Total number of von Willebrand's disease patients treated during the year\*: 1

| Type of Material Used              | Total Amount of Material Used during 1981***        |                               |                                                     |                               |                                                     |                               |
