Details

This form is for applicants who have never joined SIBSS, or any of the UK Schemes (e.g. Skipton Fund) with regards to Hepatitis C payments and believe their infection originated from NHS treatment.

This form allows the Estate of someone who has died to make a claim to SIBSS, in cases where the deceased person was not already registered with the scheme, or any other UK Schemes (e.g. Skipton Fund) with regard to Hepatitis C payments. In cases of this type, the Estate is looking to claim the lump-sum payment that is available, as long as it can be proven that the infection originated from NHS treatment.

This form is for applicants who have never joined the Scottish Infected Blood Support Scheme, or any of the UK Schemes (e.g. MacFarlane Trust, Eileen Trust, MFET Limited) with regards to HIV payments, and believes their infection originated from NHS treatment.

This form allows the Estate of someone who has died to make a claim to the Scottish Infected Blood Support Scheme, in cases where the deceased person was not already registered with the scheme, or any other UK Schemes (e.g. MacFarlane Trust, Eileen Trust, MFET Limited) with regards to HIV payments. In cases of this type, the Estate is looking to claim the lump-sum payment that is available, as long as it can be proven that the infection originated from NHS treatment.

This form allows an existing Chronic (Stage 1) Hepatitis C SIBSS beneficiary to apply for Advanced (Stage 2) Hepatitis C payments.

This form is for the Estate of a deceased beneficiary who was already a member of the Scottish Infected Blood Support Scheme and had previously received Chronic (Stage 1) Hepatitis C payments. The form allows the Estate of the deceased beneficiary to apply for the Advanced (Stage 2) Hepatitis C lump sum payment that is available via the scheme.

This form is for the widow, widower or civil partner of a deceased beneficiary who was receiving support from the scheme as a result of an infection they had received themselves. The widow, widower or civil partner can used this form to claim any regular payments they are entitled to under the terms of the scheme.

This form is for beneficiaries who are already registered with SIBSS and wish to apply for the Living Costs Supplement.

This form is for beneficiaries who are already registered with SIBSS and wish to apply for Income Top-Up support.

This form is for beneficiaries who are already registered with the SIBSS and wish to apply for a One-Off Grant from the scheme.

This form is for applicants who have never joined SIBSS or any of the UK Schemes (e.g. Skipton Fund) with regards to Hepatitis C payments and believes their infection originated from NHS treatment. This form allows the applicant to apply for both Chronic (Stage 1) and Advanced (Stage 2) payments at the same time.

This form allows the Estate of someone who has died to make a claim to SIBSS, in cases where the deceased person was not already registered with the scheme, or any other UK Schemes (e.g. Skipton Fund) with regard to Chronic and Advanced Hepatitis C payments at the same time. In cases of this type, the Estate is looking to claim the lump-sum payments that are available, as long as it can be proven that the infection originated from NHS treatment.

This form is for applicants who are stage 1 and their widow/widower/partners are claiming Hepatitis C contributed to the cause of death therefore they are eligible to claim regular payments.
