Sandra - as discussed, thanks very much for sight of this. I don't think we have a major External Relations interest in this, other than, as discussed, that we should think about what our/CSA's public line would be on this (to make sure we have something reasonable to say to the Irish.) It might be worth putting this (our line-to-take, I suppose) in the minute.

Thanks again

Alan

I attach a draft submission concerning an invitation for staff from the Blood Transfusion Service to attend and Irish Tribunal. Do you have any comments/advice to offer on this issue and on the

recommendation that the invitation should be declined.

(Sorry previously sent this to Alan Lister who may forward his copy to you).
