Subject: RE: Lord

Archer.Inquiry

I am not keen to send a holding reply as I feel that all the issues have been debated in the past and are, as you say all in the public domain. Sol have been involved previously and I am sure that the relevant documents must be in your records.

The essential message I want to get across is simply that the Government does not feel an Inquiry is justified and that ministers do not support the current proposal.

Are you available to speak at 14:30?

Cheers
