SubjectPO00000318203 Request for Contribution - Contribution due:

You have been asked to contribute to case PO00000318203. Please return your contribution by 18/06/2008.

Zubeda,

I have enclosed previous correspondence relating to this case. Stephen o brian wants to know why the department is unwilling to provide witnesses to lord archers inquiry into contaminated blood.

Also, he is aware that the mackay judgement does not apply to england and wants to know whether english ministers would be liable if a similar case were brought in england.

Please advise,

Thanks,

Caroline Holz
