19 August 2008

Dear Mrs Wintle,

Please accept my apologies in the delay replying to your letter dated 20<sup>th</sup> June.

As you will know the Archer Independent Public Inquiry into contaminated blood and blood products is currently underway and, as I'm sure you've seen, due to new evidence coming to light the final report has now been delayed until the end of summer.

I will pass your letter on to Lord Ashley (please note that Parliament is in recess until October 6<sup>th</sup>). I think Lord Ashley is likely to want to wait for the outcome of the independent inquiry in order to be able to respond to your letter in full, so please expect a reply following that.

Best wishes,

GRO-C
