Subject: 16986 HEPATITIS C LITIGATION

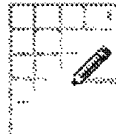

David/Alex/Charles,

I attach the reply from the Chief Secretary HMT to SofS' letter last night. I would be grateful if you could work with Treasury officials as per para 2 of the letter, involving finance colleagues, NHS Litigation Authority, MDA, and other colleagues in the Department on whose work the Judgement has a bearing. I know that Lord Hunt is also working with officials to assess the wider implications of the Judgement on the NHS, so I am sure he will want the opportunity to consider anything before it goes to Treasury. Emma de Zoete will be best placed to advise.

Many thanks,

Sammy
