79 Whitehall
London SW1A 2NS

26th July 2005

MS (Q) Rt Hon
Cancer?

GRO-C

GRO-C

DEPT OF HEALTH
RECEIVED

28 JUL 2005

CORRESPONDENCE
PRIVATE OFFICE CC12

In Jan.

Further to your letter dated 14th June on behalf of Mr GRO-A for which I was grateful I would like to come and see you to discuss with you the implications of the developing treatment of the disease. Because sufferers are living longer the care they need is no longer just palliative but is increasingly sustaining. This is creating a very real problem which I would welcome the chance to discuss with you.
