

Caroline

Further information is attached as requested on the self sufficiency in blood products review, gay men donating blood and screening of donated breast milk.

Happy to discuss

7/2/16

1) Where is the draft report. Why did we report blood products based on data in American prison?

2) I'd like to know if more needs to be done with WUS on campus donation

3) Breastmilk his seems his check in his concerns of Barbara Kelly to see the copy and
